THE WORLD CUP TOKEN

Want to experience the World Cup 2022 right on the field supporting your team and have an incredible time in Qatar at no cost to you? World Cup Token got you! Every million in volume, five random holders will win an all-inclusive trip to Qatar 2022! That'll be hundreds or even thousands of you on their way to the best sporting event in history! Holders will also have a chance at numerous frequent prize drops and much more.

- Top 100 wallets get 3 entries (Qualified for the finals)
- Wallets 101-500 get 2 entries (Qualified for the semi finals)
- Wallets 501 and above get 1 entry (Qualified for the quarter finals)

Winners will be picked using a random wallet generator. Winners will have 48 hours to claim their World Cup all-inclusive trip or another winner will be drawn.

Holders that win the trip can choose what game to attend (category 3 or 4 tickets depending on which stage of the tournament they're attending).

GIVEAWAYS & DONATIONS

As we know some might not be able to make it to the World Cup because of busy schedules or other reasons, we offer the chance to redeem the value of your trip in BUSD right to your wallet!

In addition to the World Cup trip giveaways, we will be running massive monthly giveaways to holders as well as frequent prize drops that can drop at any moment, and to any holder!

At a \$10 million market cap, a donation of \$5,000 will be given to a youth sports program.

At a \$50 million market cap, a donation of \$25,000 will be given to a youth sports program.

At a \$100 million market cap, a donation of \$50,000 will be given to a youth sports program.

**Only group matches and the round of 16*

*** The more volume, the bigger the giveaways.*
